Community Sentence Order Requirements

For offences committed on or after 4 April 2005

This handout tells you about the Curfew Requirement that the court has decided you must do as part of your sentence. You might also be given other handouts to help explain any other Requirement or Requirements the court has decided you must do.

Curfew Requirement

The Curfew means that you must be at a particular place at certain times. This will be for between 2 and 12 hours at a time, depending on what the court has decided. For example, the court might decide that you must spend 12 hours every day at your home. You will need to keep to the rules of the Curfew for as long as the Requirement lasts.

You may be electronically monitored, which will help us to know where you go. If so, you will be given tagging equipment by an electronic monitoring company. They will make sure you know how to use it.

The person responsible for your sentence (your 'responsible officer') will discuss the details of your Curfew Requirement with you. This might be an officer of the Probation Service or an electronic monitoring officer.

It is very important that you keep to your Curfew times and work hard to complete your sentence.

If you need help or advice about anything to do with your sentence, you can always talk to your Offender Manager.

We keep information about you in our records. It is kept safely and securely. If you want to find out about seeing this information please ask your responsible officer.
