Community Sentence Order Requirements

For offences committed on or after 4 April 2005

This handout tells you about the Prohibited Activity Requirement that the court has decided you must do as part of your sentence. You might also be given other handouts to help explain any other Requirement or Requirements the court has decided you must do.

Prohibited Activity Requirement

The court has decided that something you have been doing should stop, and has ordered you to stop doing it. For example, you may have been causing trouble at football matches and the court has said you must stop going to them.

The person responsible for your sentence (your 'responsible officer') will discuss the details of your Prohibited Activity Requirement with you.

If you need help or advice about anything to do with your sentence, you can always talk to your Offender Manager.

We keep information about you in our records. It is kept safely and securely. If you want to find out about seeing this information please ask your responsible officer.
